You can call us swingers!

We were having a sleep over at Sandy's house when we came upon her sex swing in a back room. It didn't take long before we were trying it out. Then it wasn't long before all our clothes came off as we were enjoying each other. After a couple hours of swinging, we went to bed and finished ourselves horizontally!

a tale of a terrific tail

class ass

I was ashamed, but I couldn't help myself. Joanie's ass was more temptation than any man could stand. Two days of working for Mr. Bradley, and already I had my prick in his daughter's sweet cunny. I should have seen it coming. Right from the start, I couldn't take my eyes off her. Joanie is the cutest thing. She has long black hair, big brown eyes and a killer of a body. I teach school and usually try to get some part-time work over the summer. Psychology is my hobby. I love to study people. The extra money doesn't hurt, either.

Since I earn my living with my head all winter, I try to find something physical to do in the summer. Mr. Bradley's country store was the perfect place to work. There were lots of shelves to stock and boxes to lift, and his customers were a psychologist's dream.

Only one problem, though. Instead of studying the customers, I couldn't stop studying Joanie's sweet little ass. She seemed to take delight in displaying it at every opportunity. Every time she bent over or stood on her tiptoes to reach something on a high shelf, that beautiful ass jutted out. So round, so firm, so ready to be kissed—and fucked, hopefully by me.

I spent half of my first day on the job with a hard-on. The gleam in her eye told me that little vixen knew exactly what she was doing to me.

Most of the time, her father was nearby, so all I did was watch and drool. I couldn't wait for quitting time. I needed relief, if only from my hand.

The job came with room and board, so after we locked up, Joanie walked me to my room, which just so happened to be next to hers. Once we were in the room, she didn't seem to want to leave. I didn't mind. I liked having her so near. But with her dad right down the hall, I did not dare do anything.

She showed me where the fresh towels were, and then turned to leave. Almost as an afterthought, she walked over to the wall that separated our rooms and pointed to a spot about two feet from the floor.

"The last man that worked for Daddy was a real weirdo. He drilled this hole in the wall. It goes through to my room. I don't know for sure, but I think he liked to watch me undress." She blushed as she told me the story. "You're not like that, are you?" she asked in a throaty whisper.

"No," I lied, finding it hard to believe that she was really so naive. Then she smiled and left the room.

About an hour later, she called me down for supper. The freshly baked biscuits and country ham were delicious. The girl was a great cook, but I had trouble swallowing. She had changed into a pair of shorts that let at least half of her lovely ass hang out.

I had to grit my teeth and clench my fists to keep from grabbing her sweet little ass every time she bent over. It

seemed like she did that a lot.

There was no TV in the house, so I was back in my room by seven-thirty. I lay on the bed, bored. I was leafing through a magazine when I heard her door close as she entered her room. In no time I was sitting on the floor with my eye glued to the peephole.

She gave no indication she knew I was watching. She stood at the mirror, combing her long black hair. It was so clean and so shiny that it glowed. But the best part was still that ass. It wiggled so nicely as she vigorously brushed her hair. When she finished, she stretched like a cat just waking from a nap. Those shorts rode even farther up her sweet buns.

By that time my prick was as hard as steel. It strained against my jeans, begging for release. I stood and undressed quickly. I sat right back down, naked, with my prick in my hand. In the short time that my eye had been away, she had removed her shirt and bra. Her tits were small, but they stood out proudly from her chest. Almost as if she could tell I was back, she began teasing the big pink nipples, until both of the sweet darlings were stiff.

I almost shot off all over the wall, just from watching her play with her tits. But just in the nick of time I took my hand off of my throbbing prick.

The chick was a master of the striptease. She played with those beauties for nearly a half hour. I wanted to yell, "Show me more!" But of course, I didn't. I watched and waited. The position gave me a horrible kink in my neck, but dynamite would not have budged me from my vantage point. Finally she walked over to the peephole. She turned her back, and with her ass only inches from my face, she very slowly pulled the shorts down over her firm hips.

Her panties were nude colored and almost transparent. The crack of her lovely ass was clearly visible. Next, she turned around to give me a view of the front of her young body. The fuzz on her pubic mound was outlined by the thin material. The panties clung to the lips of her silky pussy.

I wished my tongue were ten inches longer. I think I would have stuck it in the hole and licked that sweet box. Instead, I watched and jerked off. With her pussy only a few inches from the hole, she put a hand down and slipped it under the leg band of her panties.

I watched in amazement as her finger disappeared into her wet tunnel. She stood there fingering her pussy for a good ten minutes, as I stood there helplessly. Finally she stiffened and pushed her finger deep into her cunt. She began to gasp and moan as she had two orgasms before she pulled her hand away. Her finger was slippery with her juice.

Still I held back. I didn't come, but I was on the peak. One stroke and I could have covered the wall with my hot load. But it felt too good. I wanted to prolong the sensation. Unfortunately for me, the masturbation seemed to satisfy her. Without taking off her panties, she climbed into bed and turned out the light. It was now too dark for me to see anything.

I still had a hard-on, and something had to be done. I found myself wishing that I'd come with her. Now all I had was the memory to savor while I jerked off. I decided to go to the bathroom to do it. I didn't want to make a mess in my room. I had a feeling

By that time my prick was as hard as steel. It strained against my jeans, begging for release. I stood and undressed quickly. I sat right back down, naked, with my prick in my hand.

this would be a record load.

I slipped into my robe and very quietly opened my door. My stiff prick made a tent out of the front of my robe. I figured that I could make the few yards to the bathroom without being seen. l managed and closed the door behind me. l was surprised to find that the lock was broken. I was too horny to let that stop me.

l sat on the john, threw my robe open, and began pounding my rock-hard meat. l guess my eyes were closed, because I didn't see the door open. "Don't you like me?" whispered a timid female voice.

l jerked my eyes open and fumbled with my robe, trying to hide my erection. Joanie stood in the doorway, still dressed in only her panties. She tried to stifle a smile. Then she closed the door behind her and leaned against it. The bathroom was so small that I could smell her dripping pussy. It didn't help my condition at all.

"The last guy who stayed in your room used to squirt his cum through the hole in the wall when I played my little game. You didn't. Don't you like me?" She spoke with a pout on her lips.

"I didn't know... "l stammered. "Then you looked? I was hoping you would." Her hand began a slow path up her thigh, toward her wet snatch. Her eyes told the whole story. She wanted sex, and she wanted it now.

Even with her father right down the hall, I had to do it. My dick would let me do nothing else. I threw the robe open and let her see my steel-hard cock. She moved forward and very gently touched the shaft. "Let's go to my room," she whispered. She led me out the door, down the hall and into her room, with her hand still on my prick.

Once we were safely inside her room, she stood facing me and put to my lips the finger that had been so recently in her snatch. I licked it like a peppermint stick. I felt the silk panties and the heat of her wet, hot pussy press against my prick, as I stood there licking her finger. "Do you like my taste?" she whispered, as her lips replaced her finger.

Her tongue filled my mouth. I put my hands on her hot ass and crushed her to my body, as our tongues explored each other's mouths. Finally I pulled my mouth away and told her to bend over. She did exactly that. Her head rested on her arms on the bed, while that mouth-watering ass wiggled in midair.

Quickly I pulled her panties down to her ankles. Her crotch was warm and wet. She was dripping like a faucet. I ran my tongue up the tight crack of her ass; then I stood up to put my cock in her hot box, from the rear. I almost lost my load when I felt her pink anus quiver as my tongue passed over it.

I grabbed her hips and buried my prick in the slippery, steaming cunt. She came before I hit bottom. I managed five or six strokes before I exploded, bathing her tight tunnel with my hot seed. When I recovered my senses, I quickly returned to my room. I swore to myself that it wouldn't happen again, but Joanie had other ideas.

"Wait until tomorrow night," she called out through the hole. 'I'll put my hot ass so close to this hole that you'll be able to do more than peep."

It was a real challenge for an ass man like me. And you can believe that I made the best of it—one of the best licks of my life!

Once we were safely inside her room, she stood facing me and put to my lips the finger that had been so recently in her snatch. I licked it like a peppermint stick.

PIPES, DRAINS AND BEYOND!

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

When I was just out of college and trying to get my feet on the ground, I took a variety of jobs. Never lasted very long at any of them, but I did have some interesting adventures. My most memorable was when I was moonlight delivering pizzas in town to make a little more money to pay the bills. So I'm working on Friday night and the manager gives me my final few pizzas for delivery.

I recognize the first order, Mr. Driscoll. He's a regular that orders pepperoni and black olives every time, but not much of a tipper. The second was your standard large three topping for a couple college guys watching the basketball game. Again, not much of a tip. The final order was a new address I had not delivered to before. When I arrived and rang the bell, this stunning young thing answered the door in one of those halter tops and bikini bottom. As I handed her the slip to sign to charge it, she looked at the patch on my shirt and read softly -- Pipes, Drains and Beyond.

"That's a cute shirt." she said. "Is your father a plumber?"

I just looked up at her, too shy to say anything to this fox. "I need someone to look at my shower."

I said "Well, no, that's me." She chuckled and said "No,

really?"

"Really" I replied back to her. "Are you expensive?"

"Well that depends on the job. A shower, well that depends on if I have to replace anything."

Then she asked if I could take a moment and look at it with her. I said OK. She invited me in and said her boyfriend is not the handiest man but he has other qualities.

She took me into the house and to the bathroom. She explained that some times it works, and sometimes it doesn't. I said let's take a look and she went over to the faucet and turned it on, then pulled the plunger to activate the shower. Sure enough nothing. She said now, watch this, she turned everything off, then repeated the steps. This time it came on but shot off to the left, soaking her.

I started to laugh, she said "Oh that's funny is it?" I said it was and she looked at herself and started to laugh, too.

I told her I thought I knew what the problem was and asked if she had a rag, a wrench and a straight pin or needle. She said she'd be right back and went and got the things I asked for. I took off the shower head and looked at the valve inside. It was clogged with calcium deposits and hard water build up. I started to push the pin through the holes of the head.
Soon I had the whole thing cleaned out and reassembled the parts and tested it. Sure enough, it worked like a charm. She jumped up and down, causing her boobs to fall out of the skimpy halter. I just stood there looking. Oblivious to her exposure, she said it hadn't worked that good since she moved in nine months ago. I gave her a name of a product to use, explaining that it was the calcium build up causing the problem. She thanked me as she noticed me looking at her chest.

She dropped her top and began caressing them in broad circles, winding down to her nipples, which she pinched and they immediately hardened.

"Oh my God!" she exclaimed as she became aware of her wardrobe malfunction.

I smiled and told her that she'd already paid me. "I did?" she said, adjusting her boobs back into place inside the halter.

I said "Yes, when you jumped up and down." She blushed and said she still owed me something for my labor. With that, she pulled the top up off her chest and over her head, again revealing those two beautiful mounds.

She dropped her top and began caressing them in broad circles, winding down to her nipples, which she pinched and they immediately hardened. I came over and caressed

them. Then I started to play with her nipples, she started to moan. I then bent down and started to suck on them and this really set her off.

She then slipped her hand under her bikini bottom and between her legs. As I continued with her breasts, she pulled down her bottoms and took my right hand and put it there. I felt no hair, so my fingers went straight to her pussy and without any fumbling, split her lips, searching out her cute little sex button.

I dropped to my knees and let my tongue take advantage of her. She leaned against the bathroom sink and opened her legs, putting one up on the counter. Her pussy was staring at me so as I drove my tongue deep inside. With some soft moans, she came quickly. Looking up at her, I smiled and she pulled me up and unzipped my shorts and pulled out my cock. She gasped and said I was hung like a horse. I smiled and asked if that was a problem. She told be to lean back on the counter and got down on her knees in front of me.

She said "Let's see this thing," as she took my nine inch rock hard cock and stroked it back and forth. After a few minutes, she took it into her mouth and began sucking it. I said "If you don't want a big load in your mouth, you had better quit now." But she didn't. I blew my load into her mouth and she drank it down. But she pulled off too soon. I blew two more pulses on her face and boobs but she just smiled and licked it off.

I pulled her up to the counter and sat her on it. She opened her legs again and scooted her butt forward. Then, taking my cock in my hand, I guided it inside her sopping wet pussy. She moaned as she felt my hugeness slide in and out, and soon I felt the next load building. I asked if she wanted this one inside her or out. She said it feels to good inside so go ahead, do it, so I did. She moaned as I flooded her with another huge load. After I finished, she got off the counter and knelt back down and licked me clean. She said that very nice and hoped I was able to come back from time to time.

She moaned as my hugeness slid in and out, and soon I felt the next load building. I asked if she wanted this one inside her or out.

"I'd like to do this again, mister Pipes, Drains and Beyond." she cooed.

I said "Oh yeah, me too, lady with the plugged pipes.."

We laughed for a few minutes and both got dressed. She turned on the sink's faucet and washed her mouth out. Then after wiping her face went on to say that if I was to come over and saw a red Charger in the driveway, not to come in. That was her boyfriend's. I said no problem.

We got together numerous times, both before and after my pizza deliveries and various plumbing jobs. For the next year, she was still with her boyfriend, but we managed a hot tryst at least once or twice a month – when I was not avoiding the red Charger.

ASHLEY & AUBREY

This will be a very warm day.

Usually we like to have sex in private, but this time we'll let you watch. It's not that we're embarrassed, we're not. It's just that we're a little inhibited. We would probably do more nastier things without the cameras here. But maybe we'll loosen up after a couple hours. In the meantime, you'll just have to use your imagination.

ASHLEY & LEAH

Fun to look at, but...

Some girls love candy, some love jewelry, and all love money. But some girls like other girls. Then they grow up to be ladies that like other ladies. Then some of the ladies like sex, and toys. We like pussies with toys on them and in them. And we love the loud buzzing sound they make until they are in a soft wet pussy and the sound gets muffled.

WE DO LIKE ALL KINDS OF TOYS

FAYE & RAYLENE

In search of the G-spot?

A desperate Faye called Raylene saying she can't find her g-spot anymore. Like a good friend, Raylene offered to come over and help her look for it. "What do you mean you lost it?" Raylene asks a flustered Faye. "I don't know what happened. I woke up from a nap and couldn't find it!" said Faye. Soon it was all toys on board looking for it.
